Robin (Tweet-Tweet),

To my bestest friend!
If it wasn't for you being such a "stuck-up" Junior we might have never talked to each other! I don't know what I'll do without ya next year, but I'll try. I hope you have a great senior year! after that I'm wishing the best of luck in life!

"From one Jeep lover to another...."

Love,

Your Shelley

Robin,
I'm really glad I got to know you better this year. Your a very sweet & understanding friend. I wish you only the best in your future years ahead! Hope to see you in senior year. Take it Easy. Have a Terrific Summer

C.M.A. Sue Geiger.

Robin,
I hope this year has been excellent for you! Thanks so much for helping me out! Your one person someone can really depend on in a time of need. Don't forget to observe the marshmellows in the salt crystals!! Won't forget all the crazy times in chem & history!! Your such a sweetheart! Have a great summer, and I'll see ya senior year!!

Love,

Theresa
("91")

Robin,
It's really been great in Chemistry I hope I have you in some classes and get to know you better.
Hope you have a great summer.

Robin,
Glad I got to know you this year. It's been an experience. Hope to see you around skl next year. Like, now that you know where I go to school, don't be a stranger

Love,

Theresa

Robin,
I was nice working with you in Geom class it was hard, but we made it. and Chem was sometimes boring but we struggled through it. Hope we have classes together next year. We are seniors 3 down 1 to go

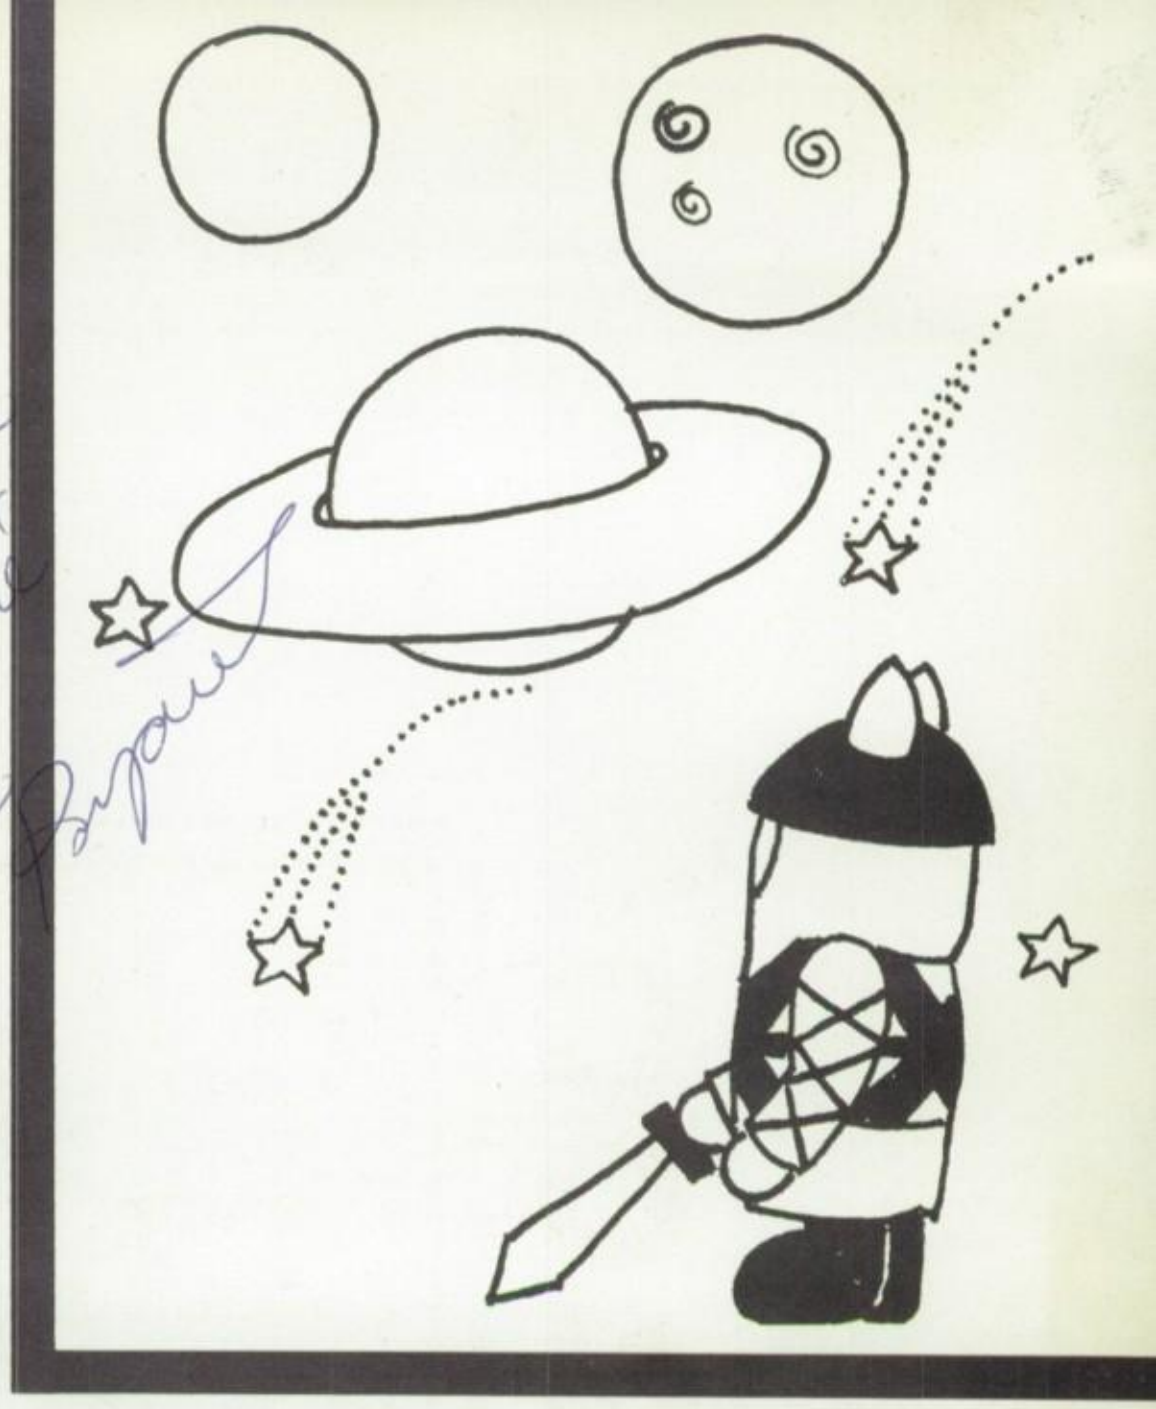
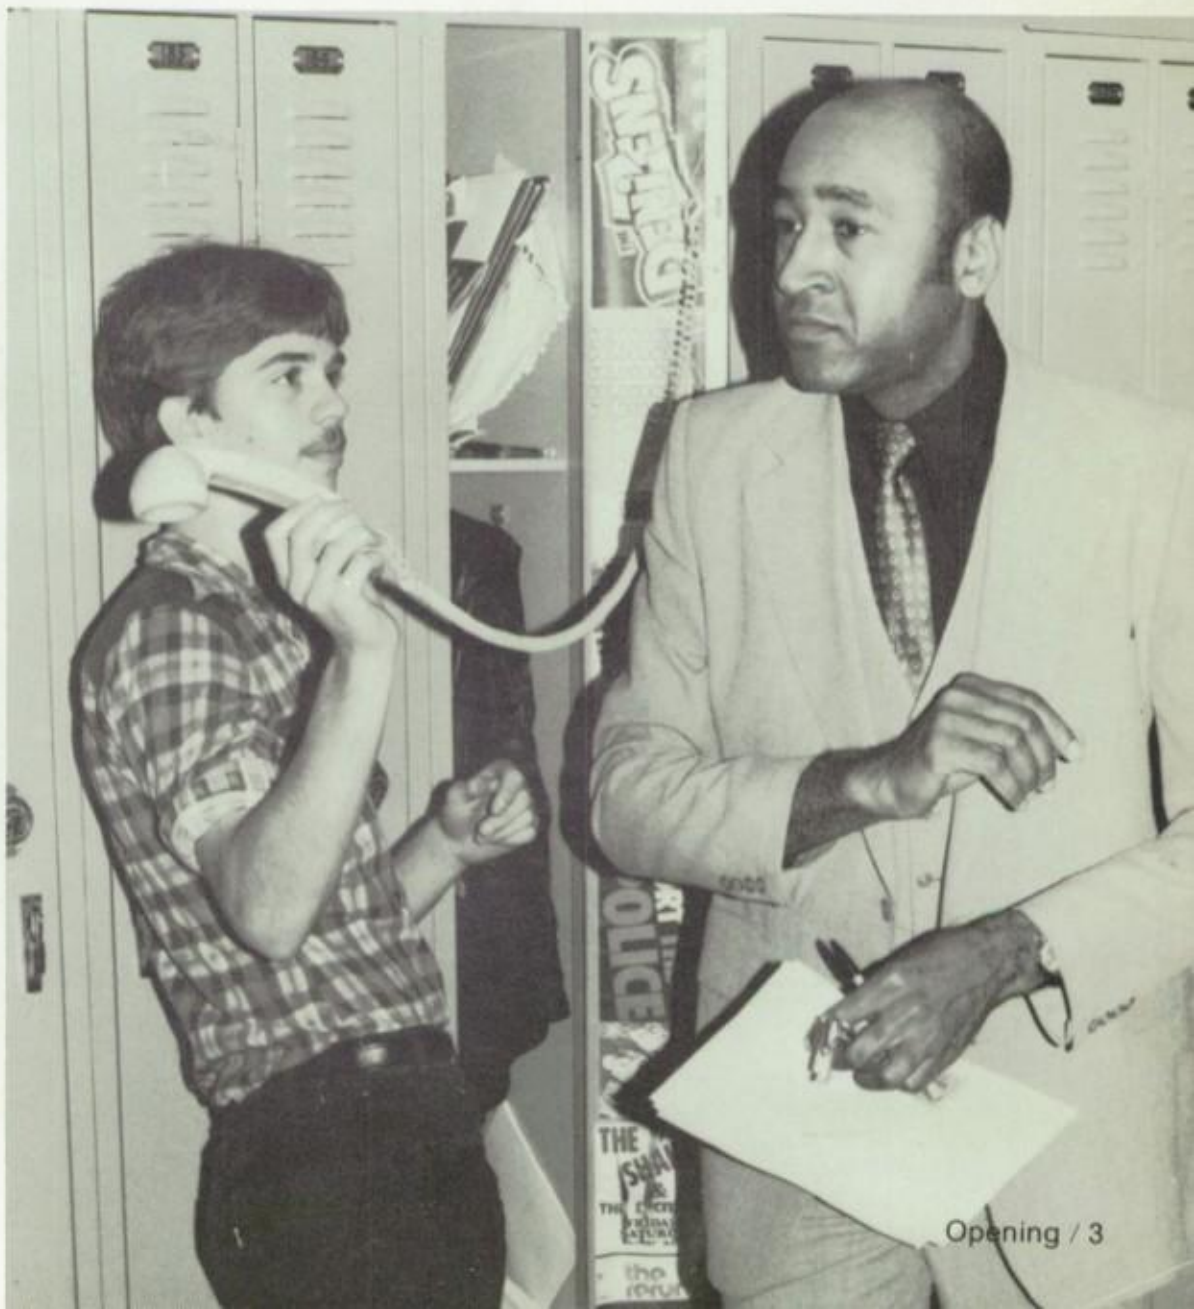
Venturing Into the 1980's . . .





. . . Fashion . . .

Bill Horwath and Geri McCormick model in a casual type style. Both wearing pullover sweaters and Levi cords. One may find this the typical dress code at Foley.

Shoe styles have been changing constantly. At this time, calve style cowboy boots and open back Candies are very much in style. The ankle bracelet adds the final touch.

Karen Filar models her casual clothes on the monthly color day. She is wearing her calf length cowboy boots tucked in her pants with a sports blazer and scarf.

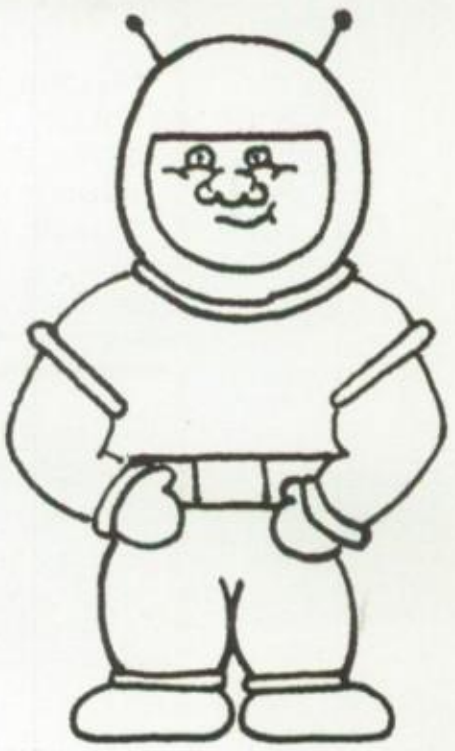
1 Tina Polsinelli in a 3-piece skirt set and Chris Sobczak dressed in tweed pleated pants with a pullover sweater stop to pose for the camera.

2 Nancy Skinner adds a final touch to her outfit with a dry cut flower in her hair pulling it over to one side.

3 Belts, belts and more belts. A typical added attraction to many of the girls blouses, jackets and sweaters.

4 As gold prices continue to increase, Barb Krolicki models her 14kt gold charms and necklace that she has acquired through the years.



. . . Entertainment . . .

At Bishop Foley the students find concerts most entertaining. Here we catch Mary Lou Lang and Aimee Evo enjoying a concert at Pine Knob.

Taking a break from the classroom routine, Kathy Masterson takes a few minutes to learn about the exotic outside world by reading articles in Creem.

Punk Rock has become popular to Foley students. Bob Monette advertises by wearing his Ramones t-shirt.

If you hear a kind word spoken
of some worthy soul you know,
It may fill his heart with sunshine
If you only tell him so.

If a deed, however humble,
Helps you on your way to go,
Seek the one whose hand has helped you,
Seek him out and tell him so.

If your heart is touched and tender
Toward a sinner, lost and low,
It might help him to do better
If you'd only tell him so.

Oh, my sisters, oh, my brothers,
As o'er life's rough path you go,
If God's love has saved and kept you,
Do not fail to tell men so!

Our Founding Fathers

At the dedication of the school on January 6, 1966, the Archbishop commended the two parishes responsible for the school . . . "You have realized that the transitional years of adolescence need the steadying hand of spiritual and moral commitment which must be found in the school as well."

"I do not believe, and I am sure your teachers and parents do not believe that there is any serious reason for us to worry about you and your future. Intellectually, physically and spiritually you have been well prepared. Foley graduates who preceded you have gone to the most prestigious colleges and universities in the country and have graduated with high honors, and today are serving their fellowman as teachers, lawyers, nurses, doctors, engineers, educators and so on. What is more, for the greater part they are living morally good lives in their roles as husbands, wives and parents. We hope and pray and believe that you will too. We do not question our investment in Foley and in you." stated Father Hector Saulino at Commencement 1979.

Learning the history of religion, the values of our Christian lives, what we believe and why are the basics to the religion courses taught at Bishop Foley.

Religion consists of more than just memorizing facts and rules. These courses teach values. Many students feel these religion courses help develop character, make good judgments and help to know Christ.

A Time . . .

Homecoming 1979 was an event to remember. The weekend got off to a great start Friday with "A Night of Music and Dancing." The class princesses, the senior court and the queen were all honored. Saturday got underway with the junior-senior powder puff game. It was a tough game, but the juniors came through to beat the seniors in overtime. The girls' basketball team kept everything on a high key with their victory over Divine Child Saturday night. The parade Sunday demonstrated the spirit of all of Foley. The football team played a fine game, shutting out the Aquinas Raiders 7-0, thus ending a perfect weekend!!!

Sophomores climb to second place with their "Stairway to Heaven"

Our Spirits

Varsity Cheerleaders take a break!

Mary Lou Lang and Cathy Cairns give a yell!

I don't know what you've been told but Molly and Shari got all that soul!

Are High!

Let's get fired up! This is just one of many chants that have echoed through the stands in an effort to raise spirit and create enthusiasm in the school.

Over the summer both the J.V. and varsity squads attended a U.S.C.A. cheerleading camp at Western to help them get prepared for the seasons events.

Throughout the year the girls put in hours of practice and sign making and many times were caught in a state of panic trying to get the locker rooms decorated before the teams arrived.

Under the direction of Sr. Bernie Lopata the girls have learned a sense of discipline and dedication.

Mary Ruiz and Debbie McGuire display happy smiles!

Dancing Venturette Style

The sports activities at Foley this year would not have been complete without the many fine performances put on by the Venturettes. With long hours of hard work and dedication, these sixteen girls put out many dazzling shows.

A brand new year started out with two new instructors: choreographer Anita Caponi, and Mrs. Jane Rozema. The coaches worked hard on perfecting the dances, and their persistence paid off when the Venturettes won a second place trophy in the North American Pageant System Dance Competition. With new costumes and a new dance, the girls "brought the house down!"

Dancing at home Varsity Football and basketball games is the Venturette specialty. The Venturettes took their talents to the Catholic League Football Playoffs and a Detroit Lions Football game, both at the Pontiac Silver dome. They also performed their award winning "Hat and cane Dance" at the Catholic League Basketball Playoffs at U of D's Callahan Hall.

The 1979-80 Venturette Squad consists of Julie Alband, Vivian Bennett, Beth Garske, Jan Guerin, Karen Kozlowski, Nancy Matthews, Darlene Oselett, Michelle Pacquette, Mary Paoletti, Cecilia Rhoades, Marie Richards, Cindy Schwab, Nancy Skinner, Carolyn Sudnik, Connie VanBuhler, Bernadette Vohs.

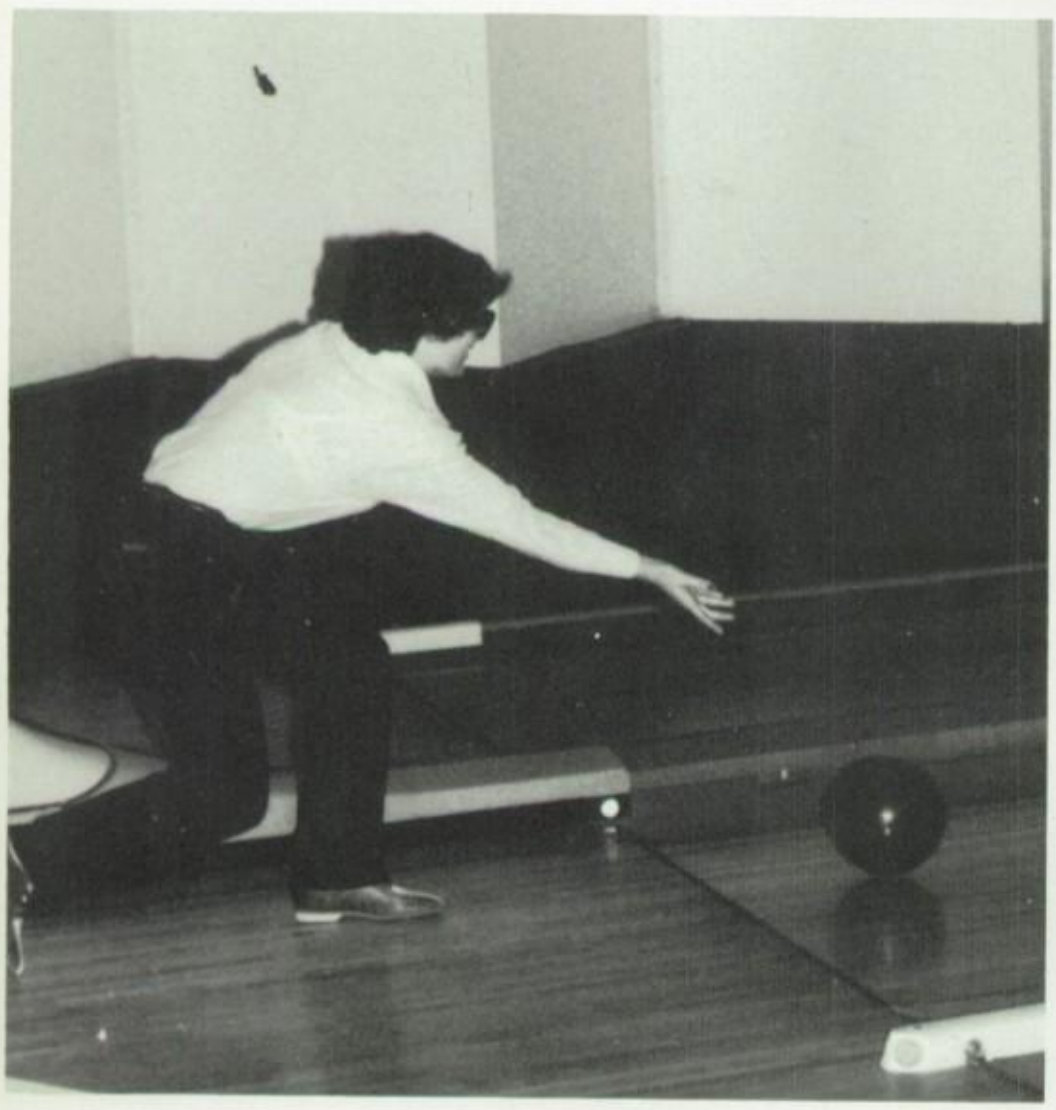
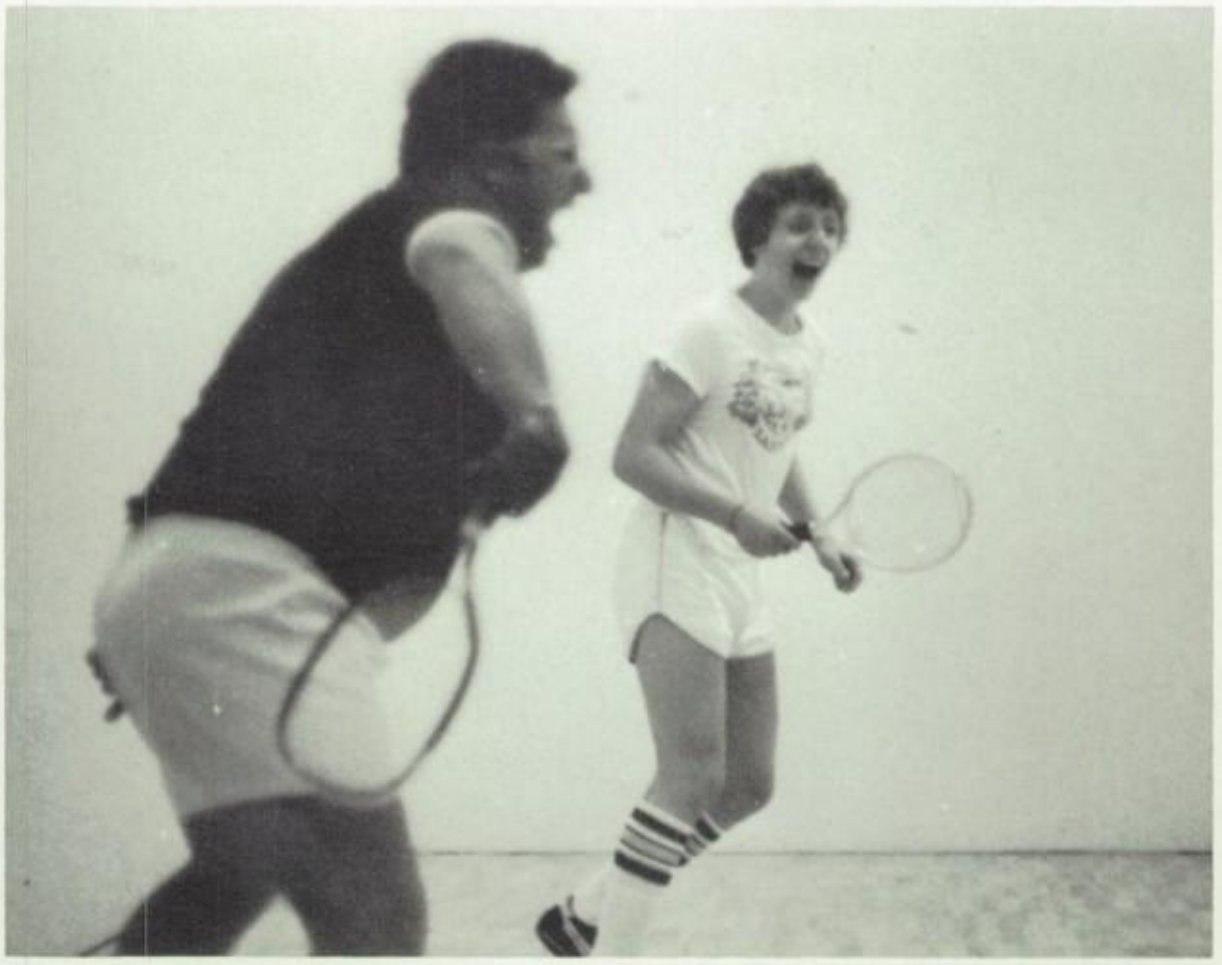
Senior Bob Rucinski sure knows how to make the right moves.





Foley Intramural co-ed sports have really been expanding from year to year. Many students turned out to try their skills at the different events that were offered.

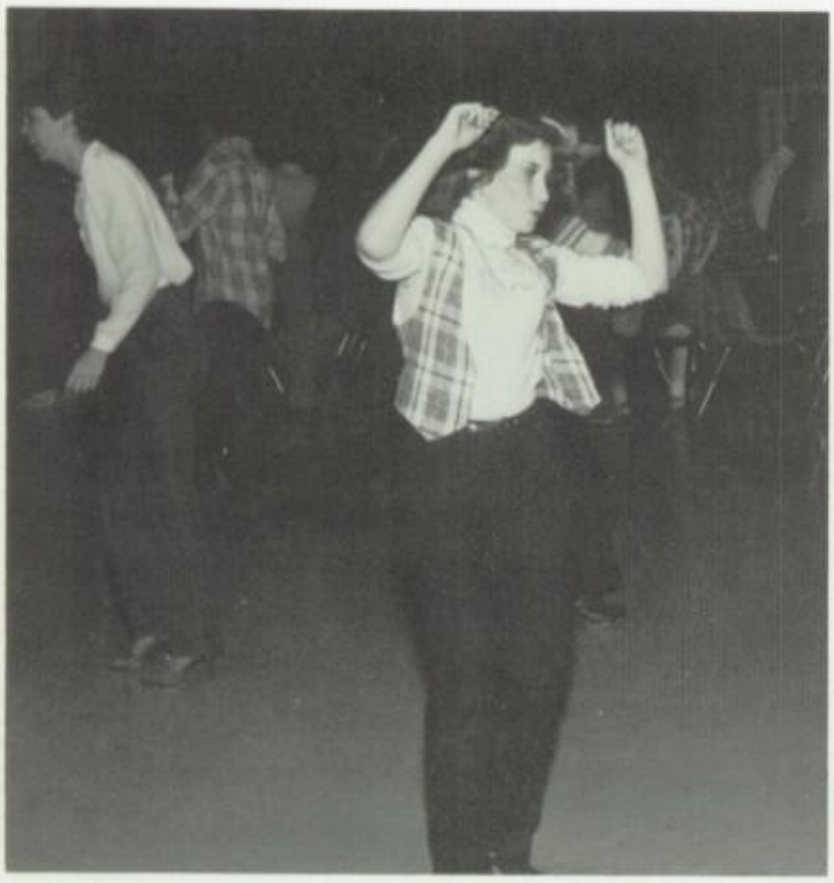
Among the activities were racquetball, bowling and basketball. This is a great opportunity for Foley students who really enjoy sports but don't have the time to devote themselves completely to a team.

Evidently Chuck Kell wasn't kidding when he said he was ready to climb the wall.

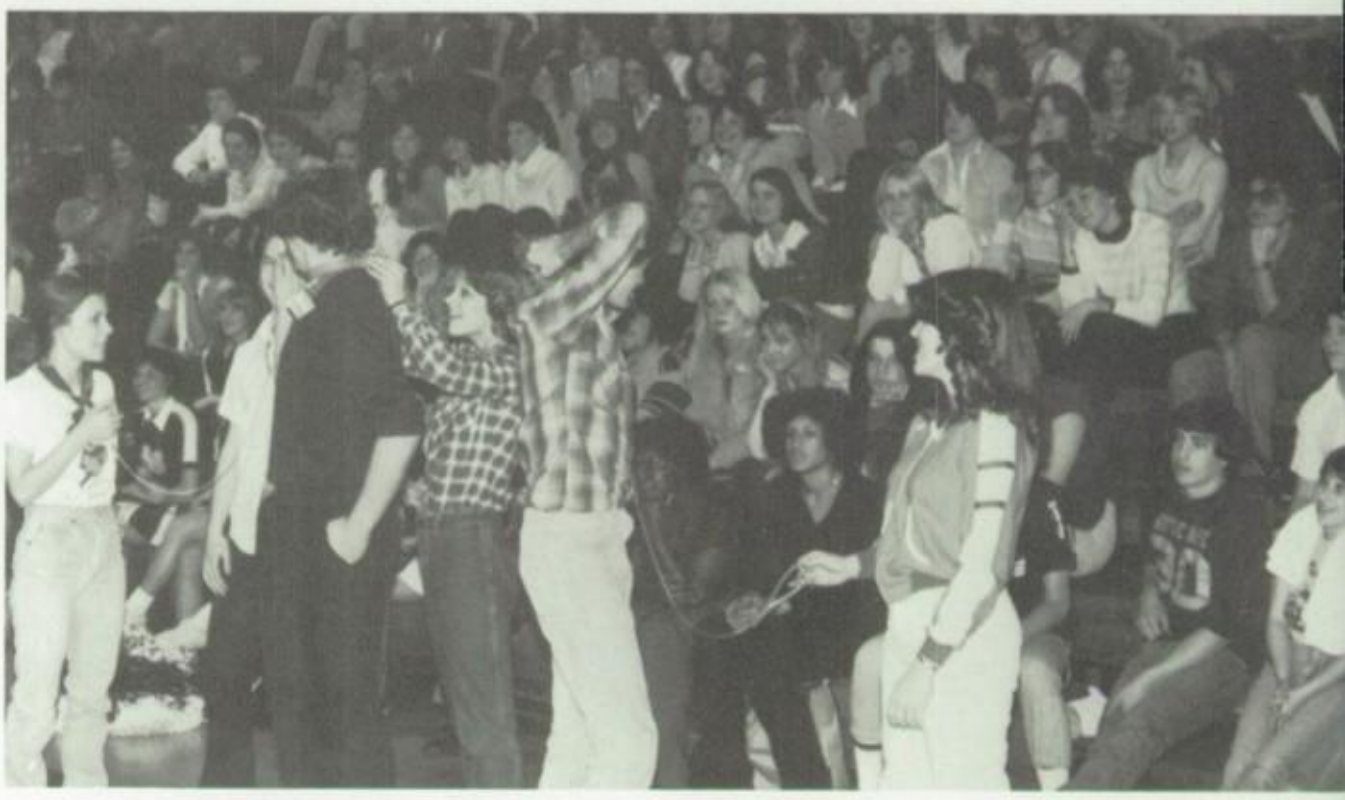
Intramural Organizer Mr. Boulus show Angelo Acord the real racquet.

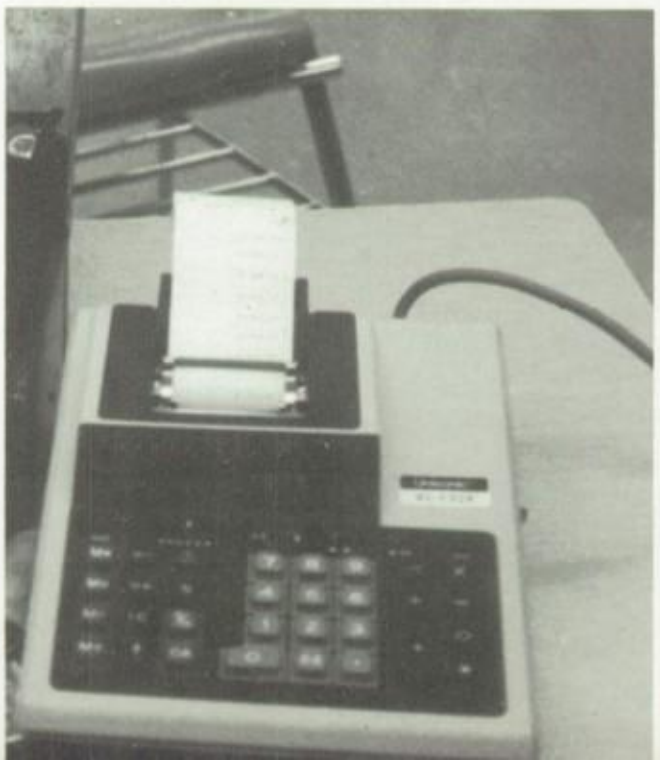
Watch out! Mark Gojcaj is trying for two!

Students Combine Fun With Business



Here at Foley the students support themselves by participating in school functions. The different functions that they get involved in are various dances, including the dance-a-thon, which brings in money for the teacher scholarship program. Other fundraisers include different classes selling bagels and flowers. The students get the opportunity to gain knowledge of the business world, while enjoying themselves at the same time. They are also rewarded by having the satisfaction of helping the school. Most of these functions are organized and run by the students being only advised by the faculty.





Aaron Pickens dances the night away.

The fun Festival has become a tradition here at Foley. Each year the school seems to unite in order to achieve a common fund-raising goal. This year the festival seemed to reach an all time high. The weekend was full of fun activities and was highlighted by the raffle Sunday evening. The festival gives the whole Foley family a chance to have a good time, as well as earn some money for the school.

Maria Calvano shares a smile with Dean Gaboury during festival weekend.

"I know I can do it!" dreams Tom Murphy.

Foley's Venture Marching Band had a terrific season this year, performing at over twenty football and basketball games, and the U of M Band Day. The band also participated in two competitions, taking 7th place at the Michigan State Fair Parade and 3rd place at the Catholic League Playoffs at the Pontiac Silverdome.

Foley's Concert Band, besides performing at the Spring Concert, has also played at various other schools and for National Music Week at Tel-Twelve Mall. Band members also attended the Solo and Ensemble Festival where they came home with honors.

The Greatest Shows on Earth

The productions at Foley bring a wide variety of students together to work hard and learn basics in play productions.

At Foley, the play this year was produced by an enthusiastic cast of 46 and a crew of 25. With their enthusiasm, they captured the audience as they portrayed their roles in the musical "Guys and Dolls."

"Guys and Dolls" was directed by Ms. Lark Stein who is an old pro when it comes to drama plays.

Charles Korotka and Becky Bringman did a fine job of stage managing. The main characters were portrayed by Missy McCann as Sergeant Sarah Brown, Brett Scharnhorst as Sky Masterson, Linda Kufel as Adelaid and Matt Fedorchuk as Nathan Detroit.

Another big production here at Foley is the Talent Show which turned out to be a great show this year.

It included dancing, singing, bands, comedy and a large variety of fun. Congratulations to all the acts that participated and won the big bucks.

Mr. Maiuri stands with two acts of juniors after the show.

Freshman Jeri McCormick has a little stage fright!

Senior super singer Sue stuns the crowd with her spectacular soprano voice.

In the second half of the season, the Varsity Girls Softball team picked up enough speed to end up tied for third. Next came the districts and a chance for Foley to prove themselves. In the state playoffs, the girls came away as district champs by downing Lamphere, Bishop Gallagher, and Clawson. In their regional games, they finished second behind state champions Fenton, after upsetting a tough Hartland team. All league honors were received by Cindy Baumgart and Sue Heberer.

1979, a year of 12 league championships, and the Varsity Baseball Team was no exception. Execution was the name of the game as the Ventures recorded victory after victory. Winning the AA division entitled them to play for the Catholic League Championship. This game was played at Tiger Stadium; a first for any Bishop Foley Baseball Team. All League honors went to John Berti, Dave Lachejewski, Ron Paradoski, and Dino Turcato.

J.V. in the

Time and Effort is what it takes to have a good team. The J.V. Baseball Team had both.

They started their season in early March and finished their games in late May. The team practiced a lot in between. Withstanding those cold and rainy games and hot and humid practices too. But it all payed off for the team and Coach Vlahakis. They learned a lot and have a great future ahead of them.

For the second straight year in a row the Girls J.V. Softball have been champions. Sr. Peggy led her team to an undefeated league record.

Foley dominated their league with womping wins over a majority of their opponents. Out scoring them on the average of 8 runs a game.

The team suffered two tough losses in a row to Regina and Bishop Gallagher midway through, but continued their winning streak to finish the season.

The freshman baseball team finished the 1978-79 season with a record. The season was one of improving and gaining experience. The team was coached by Mr. Joseph. "We had fun but we learned a lot too," says Dan Mulligan of his first year on baseball at Foley. The boys are now ready to move ahead in the future sports here at Bishop Foley.

The 1978-79 freshman girls softball team finished their season with an outstanding 10-0 season to capture the league title. "Mr. Brandt worked us hard but it all paid off in the end," says Lisa Brady. The girls showed much talent and will be a definite asset to Foley in the years to come.

Ventures

The 1978-79 Girls Track season was described by many as "one of the finest seasons ever". The girls did an outstanding job and to prove that they clinched the "double A" League Championship with an undefeated season. The girls showed great team spirit throughout the season. The girls just showed "Foley's Got The Best Track Team In Town."

The Boy's track team had a successful season with an 8-1 win loss record. Under the coaching of Mr. Wyniemko most things were done "differently and with great emotion involved". The Co-Captains Ray Saroka, Jim Jacobs, and Ken Wilkinson led the team in much team spirit. To show just how "sweet that Black and Gold" was Ken Wilkinson increased the school discus record and Mark Guzdial broke the junior class record in the two mile.

Runners Keep on Truckin'

Starting their season in June, the Boys' Cross Country team trained themselves mentally and physically for all the long miles ahead of them. All that training paid off for them and Coach Whalen. Taking their league with a 4 and 1 record. They also took first in the Marellette Invitational. Placing second in the Shrine Invitational and two thirds in both Regionals and the Catholic League. "The team got as far as they did because they worked as a whole" were the thoughts of Dave Pietrzyk.

This year has been the year for new coaches and Boy's Varsity Basketball is no exception. Replacing Angelo Fiorini is John Agby. Coach Agby has put hope into the program. The boys have improved on the basic play with a more professional style offense and a strong defense.

Discipline, poise and "common sense" were stressed throughout the season by Coach Agby to improve the game. The example the boys set this year gives the upcoming basketball seasons a better outlook. "The consistency and stability is evident through their improved play," states Cam Hitchock, a great basketball fan.

ne 1979 Girls' Varsity Basketball Team.

Position-pressure-steal and jump-wait-shoot were some of the important points stressed throughout the 1979 Girls' Varsity Basketball season. Although the girls were fatigued with injuries at the beginning of the season, their team unity and enthusiasm resulted in a strong comeback.

The girls finished up with a 14-10 record and a third place position in their league. But when the districts came, the girls cleared away Troy for the championship. "When the team started this year, I really didn't think they had much talent. But as the season progressed they developed into a winning team," says Chris Hessler.

The 1980 J.V. Basketball team bounced back from the previous year to take second place in the Double A Division of the Catholic league with a 7-3 record. Their overall record was an impressive 13-4. The team was coached by Dan Nemecek and had members Dave Adamczyk, Ed Bennett, Mike Bennett, Jim Berti, Rob Cullen, Kevin Lukasiewicz, Dan Mulligan, Dave Nabozny, Matt Niesluchowski, Matt Rossman, Bill Schneider, Pat Spanke, Rick Winarski, and Kevin Zeiter.

Dribbling, bouncing and shooting is not all the girls' J.V. basketball team did this year. They took 3rd in their league with an overall record of 10-6. The girls, under the coaching of Sr. Peggy, expanded on techniques previously learned. "It seems like we've all improved," were the words from Margaret Sullivan's mouth. The team shows promise for the coming basketball years ahead of them at Foley. They are already anxiously anticipating next year's season.

The Freshmen Boys' Basketball team had a great season falling only to Bishop Gallagher twice and Catholic Central twice. The Boys ended up with a 13-4 record. "This is one of Foley's most improved Boy's Basketball teams." The team's coach is Mr. John Border and the members of this team consist of: D. Makarski, G. Lankin, J. Berti, P. Stuckey, R. Currie, C. Craffey, R. Kircherr, D. McDaniels, T. McGuire, J. Mansour, M. Ehr, M. Guerin, G. Novak, R. Gassman, R. Winarski, T. Alig and B. Hearns. Best of luck to our future basketball stars!

The Freshmen team consists of: Patrice Mariani, Dawn Burke, Nancy Skinner, Lyn Paradoski, Sharon Swerski, Ann Marie Walsh, Chris Suma, Chris Sherma, Margret Pelton, Karen Walby, Kate Smith, Kathy Rewold, Laura McGuiness, Beth Hunt, Lisa Hanner, Judy Gorny, Robin De Rosiers, and Diana Shoof. "Coach Wilke has led us to many victories and gave us encouragement and determination during our rough games," states Dawn Burke. The team's final record was 4-6.

Dive Into a Venture Victory

The girls swim team had a fun and exciting year. They ended their season with two wins and five losses. The team had thirty-two members and was coached by Miss Rama. The Co-captains were, Kathy Lewis, Stephanie Parenti and Debbie Burr. During a conversation with senior Corky McArthy she stated "It was a fun and exciting year and Miss Rama was behind us all the way." The team entered the Troy Seacotts invitational Relays. They took eighth place overall, won four medals and thirty-two ribbons. Record holders are Stephanie Parenti with the 50 yard free style, 100 yard fee style and 200 yard free style and also the 100 yard breast stroke, and Brenda Churchill with 500 yard free style and the 100 yard butterfly.

They placed first in their division, they also placed second in regionals and fourth in states. "We couldn't have done it without our coach, Greg Quick." Says Roger Teasdale, "He did a very good job!" The team entered the Marlet Tournament along with Foley's Cross Country Team. They both placed first and were honored with the Marlet Trophy. Once again Bishop Foley came through with a terrific season. GOOD JOB BOYS!

Bishop Foley's Junior Varsity Volleyball team challenged a tough league this year, but came up with a four and four record for the league and a five and six record overall. Under the new coaching of Ed Koehs, the girls improved on old skills and developed new ones. Many of the girls will feed their knowledge and skills into the Varsity squad for further improvement. As in all sports, practice makes perfection, and these girls are striving for just that. All this practice takes time and effort, and we at Foley are proud of our girls for making us proud of them.

Under the coaching of Ms. Nadine Ramaut, the team is working on such techniques as the power serve, bumping, and setting. The team will be losing five seniors, but gaining new players with each coming season as well as retaining the power and skill of the returning Sophomores and Juniors. Long hours of practice combined with school and team spirit has brought the team its success.

Pin Your Man!

The 1979-80 Bowling Team, coached by Miss Jan Danosky, put in many hours of hard work to keep the team on its feet this year. The team was composed of eight girls with one substitute. The A team finished sixth out of eight teams and the B team ended up tied for first. Ann Saliga ended up high scorer with 192 and high series with 471. Lori Millon bowled a close second with 191. The 1979 Boys Varsity Football Team had an outstanding season under new head coach John Zang. Supported by the great leadership from senior captains Greg McCann, Mark Oberding, Bill Pilgrim and Cam Hitchcock the Ventures posted a 6-3 overall record. Foley gained its share of the AA-title with a 3-0 victory over previously undefeated DeLa Salle in the last home game of the season. The ventures also took a tremendous victory from Aquinas during the 1979 Homecoming Football Game.

First and Ten

The J.V. Football Team was made up of all sophomores who had the experience of playing together last year. This experience along with the coaching of Pat Hearns, and Greg Zang led the team to a AA Championship. Captains Dan Hayden, Bill Schnieder and Matt Niesluchowski helped the team's success with their leadership.

Expanding Our Communication Skills

A coke and a smile go a long way for Anne Mullaney, Stephanie Saia, and Anne Belleau.

Everyone has to study once in a while — even Wendy Lombardi.

The need to communicate our thoughts and feelings to others is present all through our lives. Along with it, the more we want to learn, the more people we must be able to understand. Foley students learn to express themselves and comprehend what others are trying to share with them through our language classes. French students learn basic French in ninth and tenth grade while eleventh graders study scientific terms and twelfth graders master business French along with the basics. Spanish students develop the ability to carry on a conversation in Spanish. "This gives them a deep appreciation for those that have mastered this skill," states Ms. Arriola. Latin is another language taught at Foley. In this class they learn the language and a great deal of our own language, English. All classes explore the different aspects of the culture.

When Mrs. Mary Leary, head of the math department, was asked how she felt about math at Foley she replied, "Mathematics is not only a tool of scientists and engineers, it has true beauty as an art itself. Famous mathematicians were also often philosophers and artists. If we, as math teachers, can import some of its beauty and logic to our students — then we have truly been successful."

The basic foundation for all communications is the proper learning of the language. The English courses at Foley attempt to develop not only the speaking abilities of a student, but the writing abilities also. Classes range from Program Learning to Advanced Placement. The courses are designed to develop writing skills, to study all types of literature, and to instruct in the areas of speed, vocabulary and comprehension. The student is able to use their imagination in the various styles of writing courses that are available, while becoming aware of the different century writers. English classes are not only a time for learning "facts" but also for using free expression.

Speech and Drama are two of the English electives offered at Foley. Both courses are taught by Ms. Linda Zappa.

In Basic and Intermediate Speech, the students learn how to develop proper speaking techniques. They are also taught how to have confidence in themselves when facing an audience. The students present impromptu and timed speeches, as well as interviews with classmates or outside sources.

Basic and Intermediate Drama classes teach the students the finer points of professional acting as well as how to effectively enhance their stage with the use of stage props.

Advanced Drama places more emphasis on analyzing and directing scripts.

Freshmen through senior year, students at Bishop Foley are given the opportunity to take drafting as an elective. First year, mechanical drawing, is learning the basics. Pre-engineering is a continuation of the previous year with increased difficulty. Third year, architectural drawing, gives the students an opportunity to put their accumulated knowledge to work by making a complete set of plans for their dream house of the future. This year, some students are involved in a co-op program. This entails working part-time at an engineering firm, getting full credit and valuable experience at the same time. Mr. Moisan, the instructor, emphasizes neatness, accuracy, and good printing. Exceptional projects are displayed at Foleys annual art show for friends and family to see.

Also, the Juniors returned to St. Francis Home again this year.

The efforts of Foley Religion students this year were described by teacher Mrs. Paonessa who said "it is the hard work and enthusiasm of the students that has made this year's Religion activities something special".

A secretarial Procedures class was designed to teach the students skills necessary to work in an office. They are learning things such as dictation, using the machines and filing methods. The Co-Op Program is for students who are employed in a job closely related to their tentative career goals. They receive on the Job Experience as well as School Credit. Why should you be physically fit? Research has shown that there is a relationship between good mental alertness, absence of nervous tension and physical fitness. It is how you feel when you get up in the morning and how eagerly you look forward to the day's work ahead.

Here at Bishop Foley, a physical education is provided to meet those needs. It is a requirement for Freshmen to take gym and health. Upper classmen are given the option.

"Being an enjoyable class, many students take gym to relax from the routine day's work, but many more appreciate the importance of the results — physically, mentally, and spiritually.", says Bob Monette a participant of a physical education class.

The Bishop Foley Band is certainly one to be proud of. This is its fourth year under the direction of Mr. Wallen. He has led them through achievements like winning a trophey at the State Fair, producing terriffic halftime shows and attending the Silverdome. This year there is a new addition to the band: A team of 13 girls making a flag team. Even though this their first year, they prove to be an excellent team.

The Choir, under the direction of Mr. Brandt, is known throughout the state for the quality of music they produce. There are different levels in the choir, ranging from the freshman choir to an advanced class called madrigals. Every year when the choir group goes to the annual festival they bring back very high grades. This is an outstanding achievement considering the number of choir groups that go.

Home Economics enthusiasts can put to use what they have learned through belonging to the Hostess Club. In February a luncheon is arranged by the Hostess Club. This luncheon honors the winners of the Catholic School Essay Contest, their parents and teachers. Near the end of the school year, a fashion show produced by Home Economics students and sponsored by the Moms Club is held. All students model the creations they have constructed throughout the year. Even the students in Bachelor Living model the gym shorts they have made. "I love clothes and Home Economics lets me learn about them," says Mary Lafata.

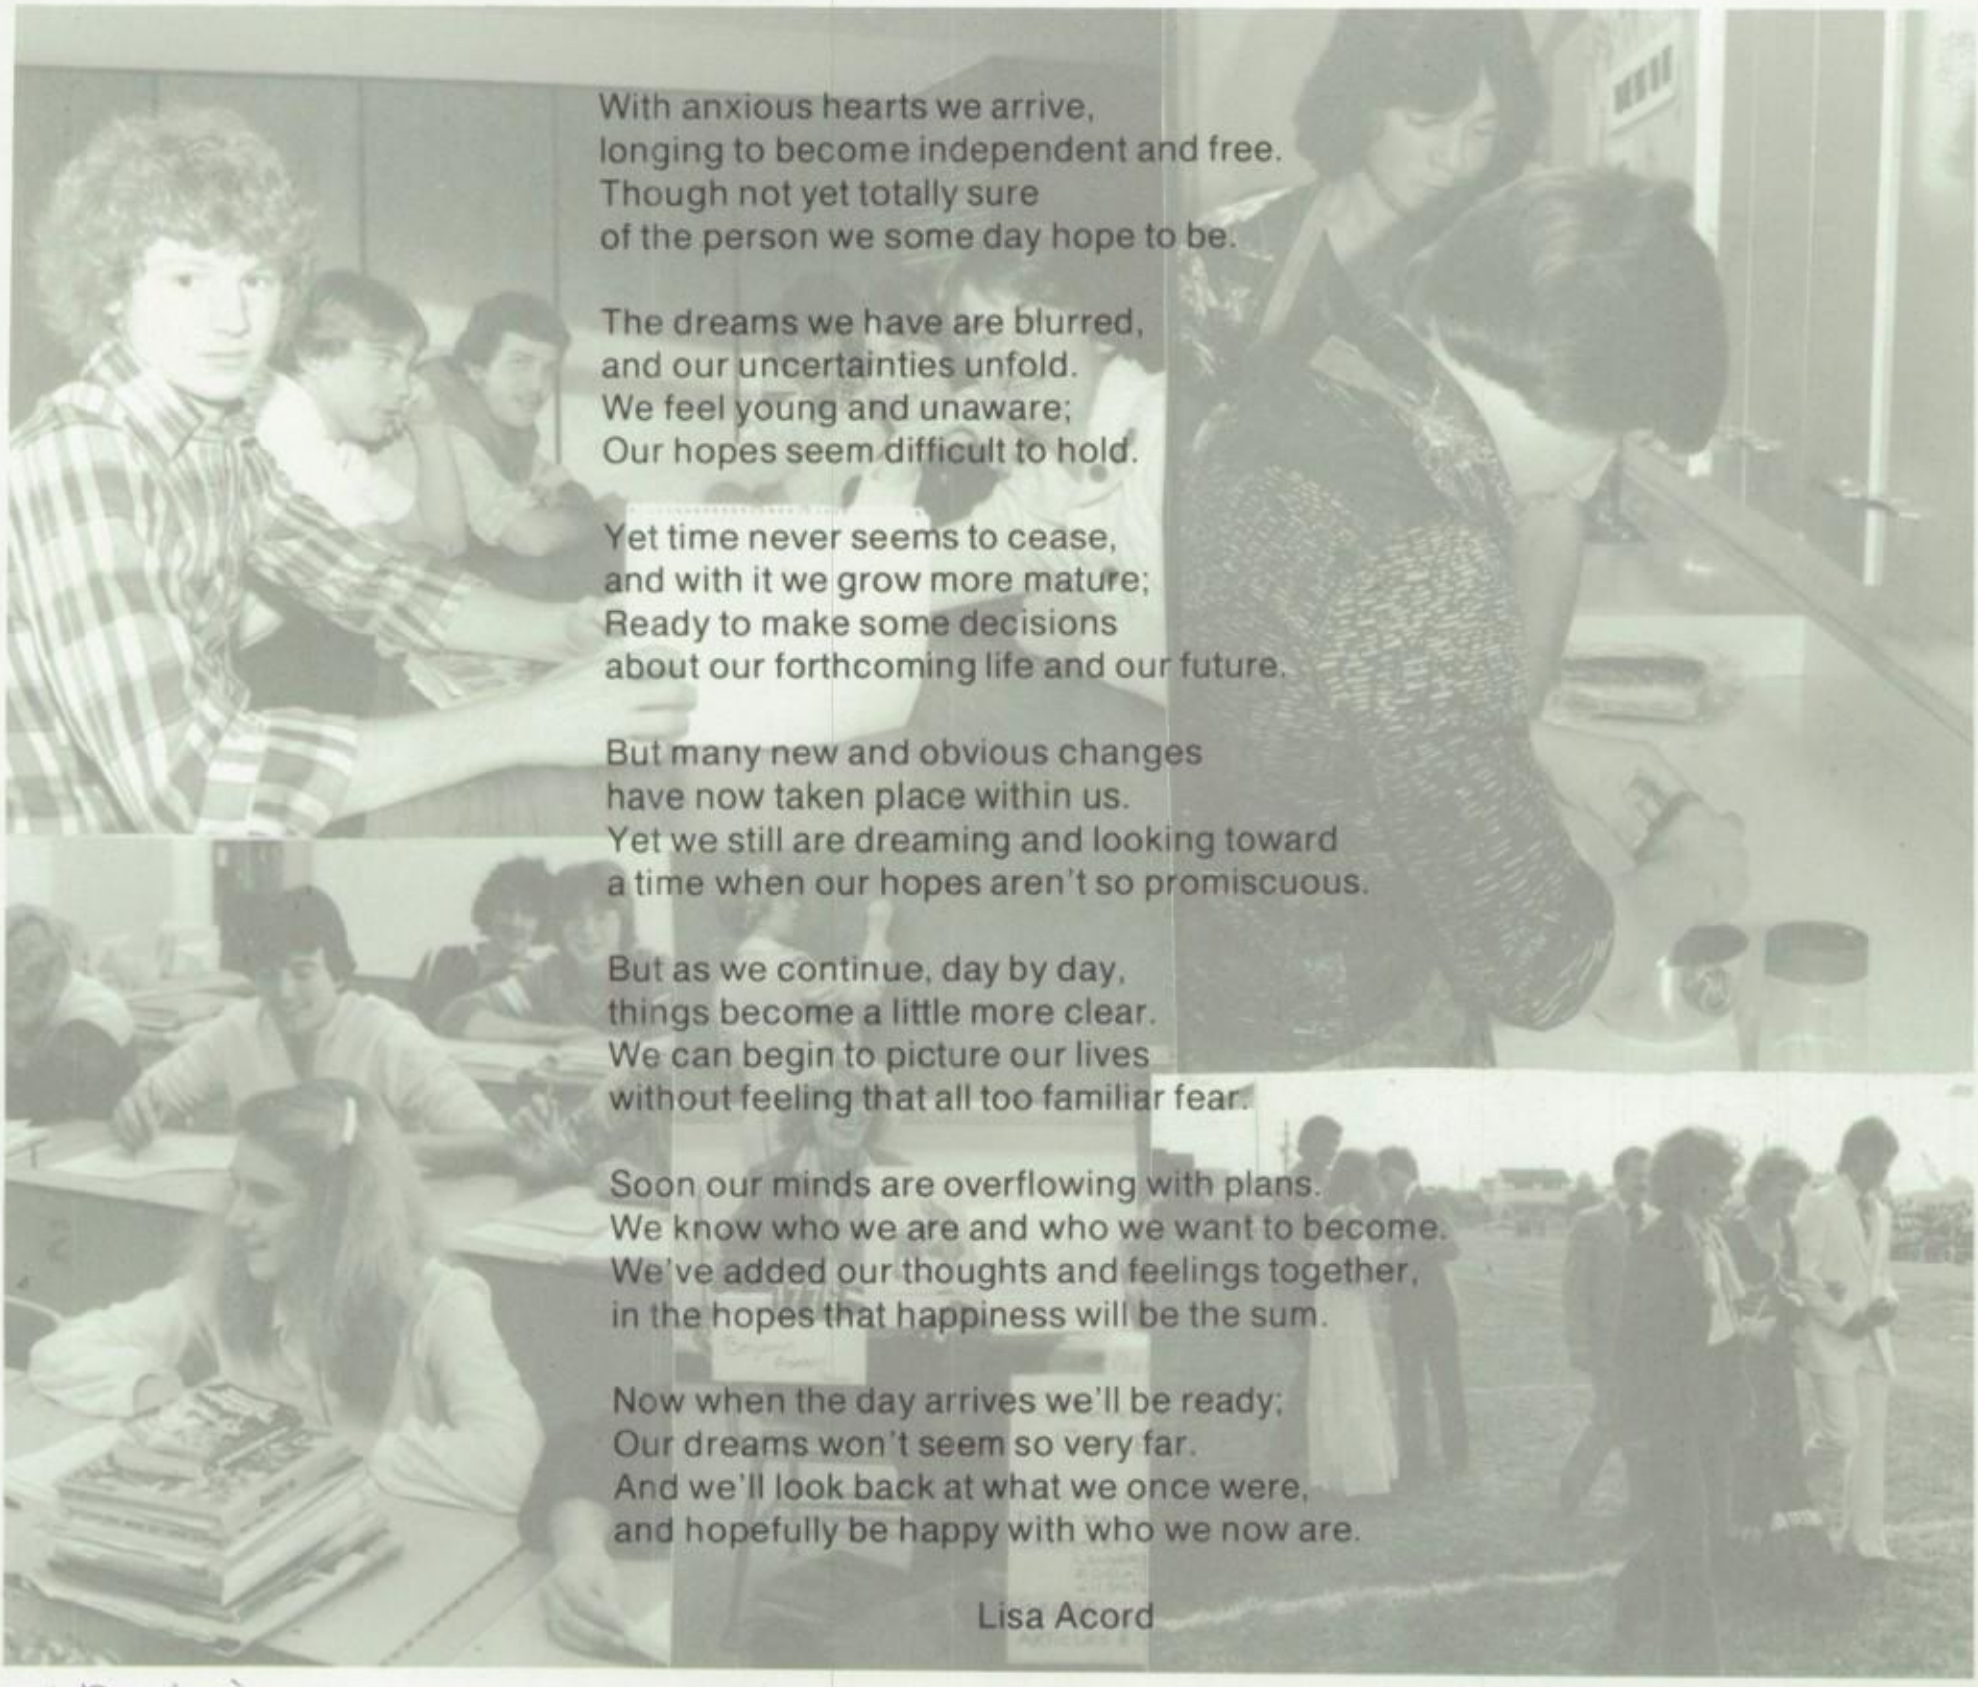
Robin - what can I say - Hen is not enough time to say what I want to. You're such a great Pal & you're such a great swimmer You are surviving the summer Ska you Surviving the summer D.K. you better! Friendship Love? Forever always Mary Jane Watts



With anxious hearts we arrive,
longing to become independent and free.
Though not yet totally sure
of the person we some day hope to be.

The dreams we have are blurred,
and our uncertainties unfold.
We feel young and unaware;
Our hopes seem difficult to hold.

Yet time never seems to cease,
and with it we grow more mature;
Ready to make some decisions
about our forthcoming life and our future.

But many new and obvious changes
have now taken place within us.
Yet we still are dreaming and looking toward
a time when our hopes aren't so promiscuous.

But as we continue, day by day,
things become a little more clear.
We can begin to picture our lives
without feeling that all too familiar fear.

Soon our minds are overflowing with plans.
We know who we are and who we want to become.
We've added our thoughts and feelings together,
in the hopes that happiness will be the sum.

Now when the day arrives we'll be ready;
Our dreams won't seem so very far.
And we'll look back at what we once were,
and hopefully be happy with who we now are.

Lisa Acord

Robin,
You're such a special friend of mine and I have to say that I love you so much. We really became close these years and I know we'll even be closer next. Especially since we have fourth hour together. So, have a great summer- Let's keep in touch-even though you go up north-think of me please.

Love ya,

Climbing to the Top Is the Class of 1983

Freshmen stand at attention!

Homecoming, School elections and dances — all experienced for the first time by the Freshmen. As they join in on the busy new activities, the Freshmen meet new friends and learn about the fast High School World.

Freshman year stands out in the minds of those experiencing it, as being a new beginning — An important change. They grow each day by learning Christian Values and putting them into practice. They fit right into the scene here at Foley.

Sophomore year has offered a lot of new challenges to the class of '82. The Sophomore-out religion program gives them the chance to go out into the community and give their services to the handicapped and elderly. The biology class taken by all the Sophomores helps to broaden their minds and helps them to develop a better understanding of the world of science. Sophomore year has brought about a lot of memories and new beginnings.

Juniors Take Pride

Junior year highlights are receiving class rings and choosing a class song. Some of the main events that took place this year were taking first place in the float contest and winning the powderpuff football game.

As upperclassmen, Juniors look forward to overnight retreats and the extra special ring ceremony.

With Senior year approaching, the Juniors anticipate new adventures and opportunities.

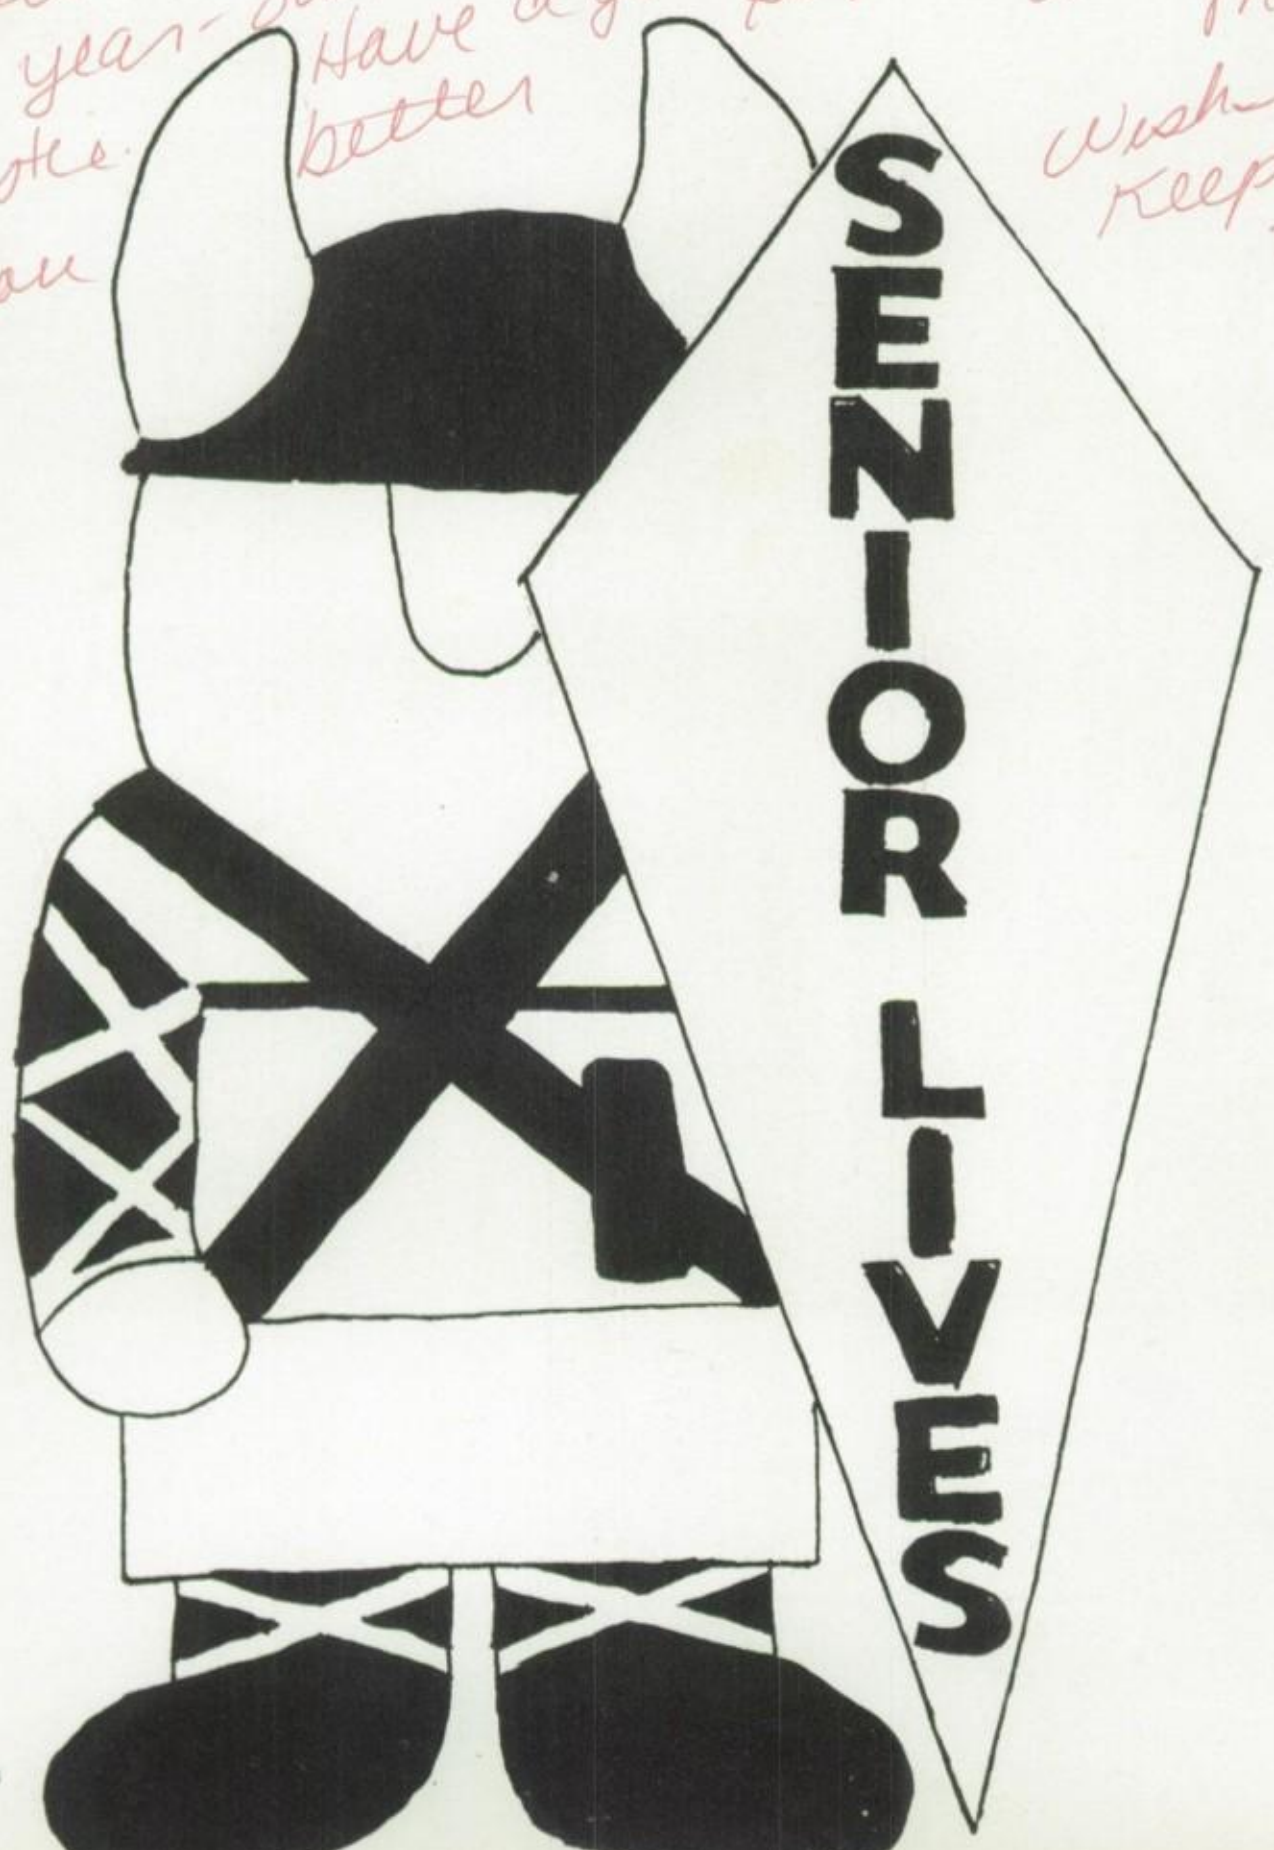
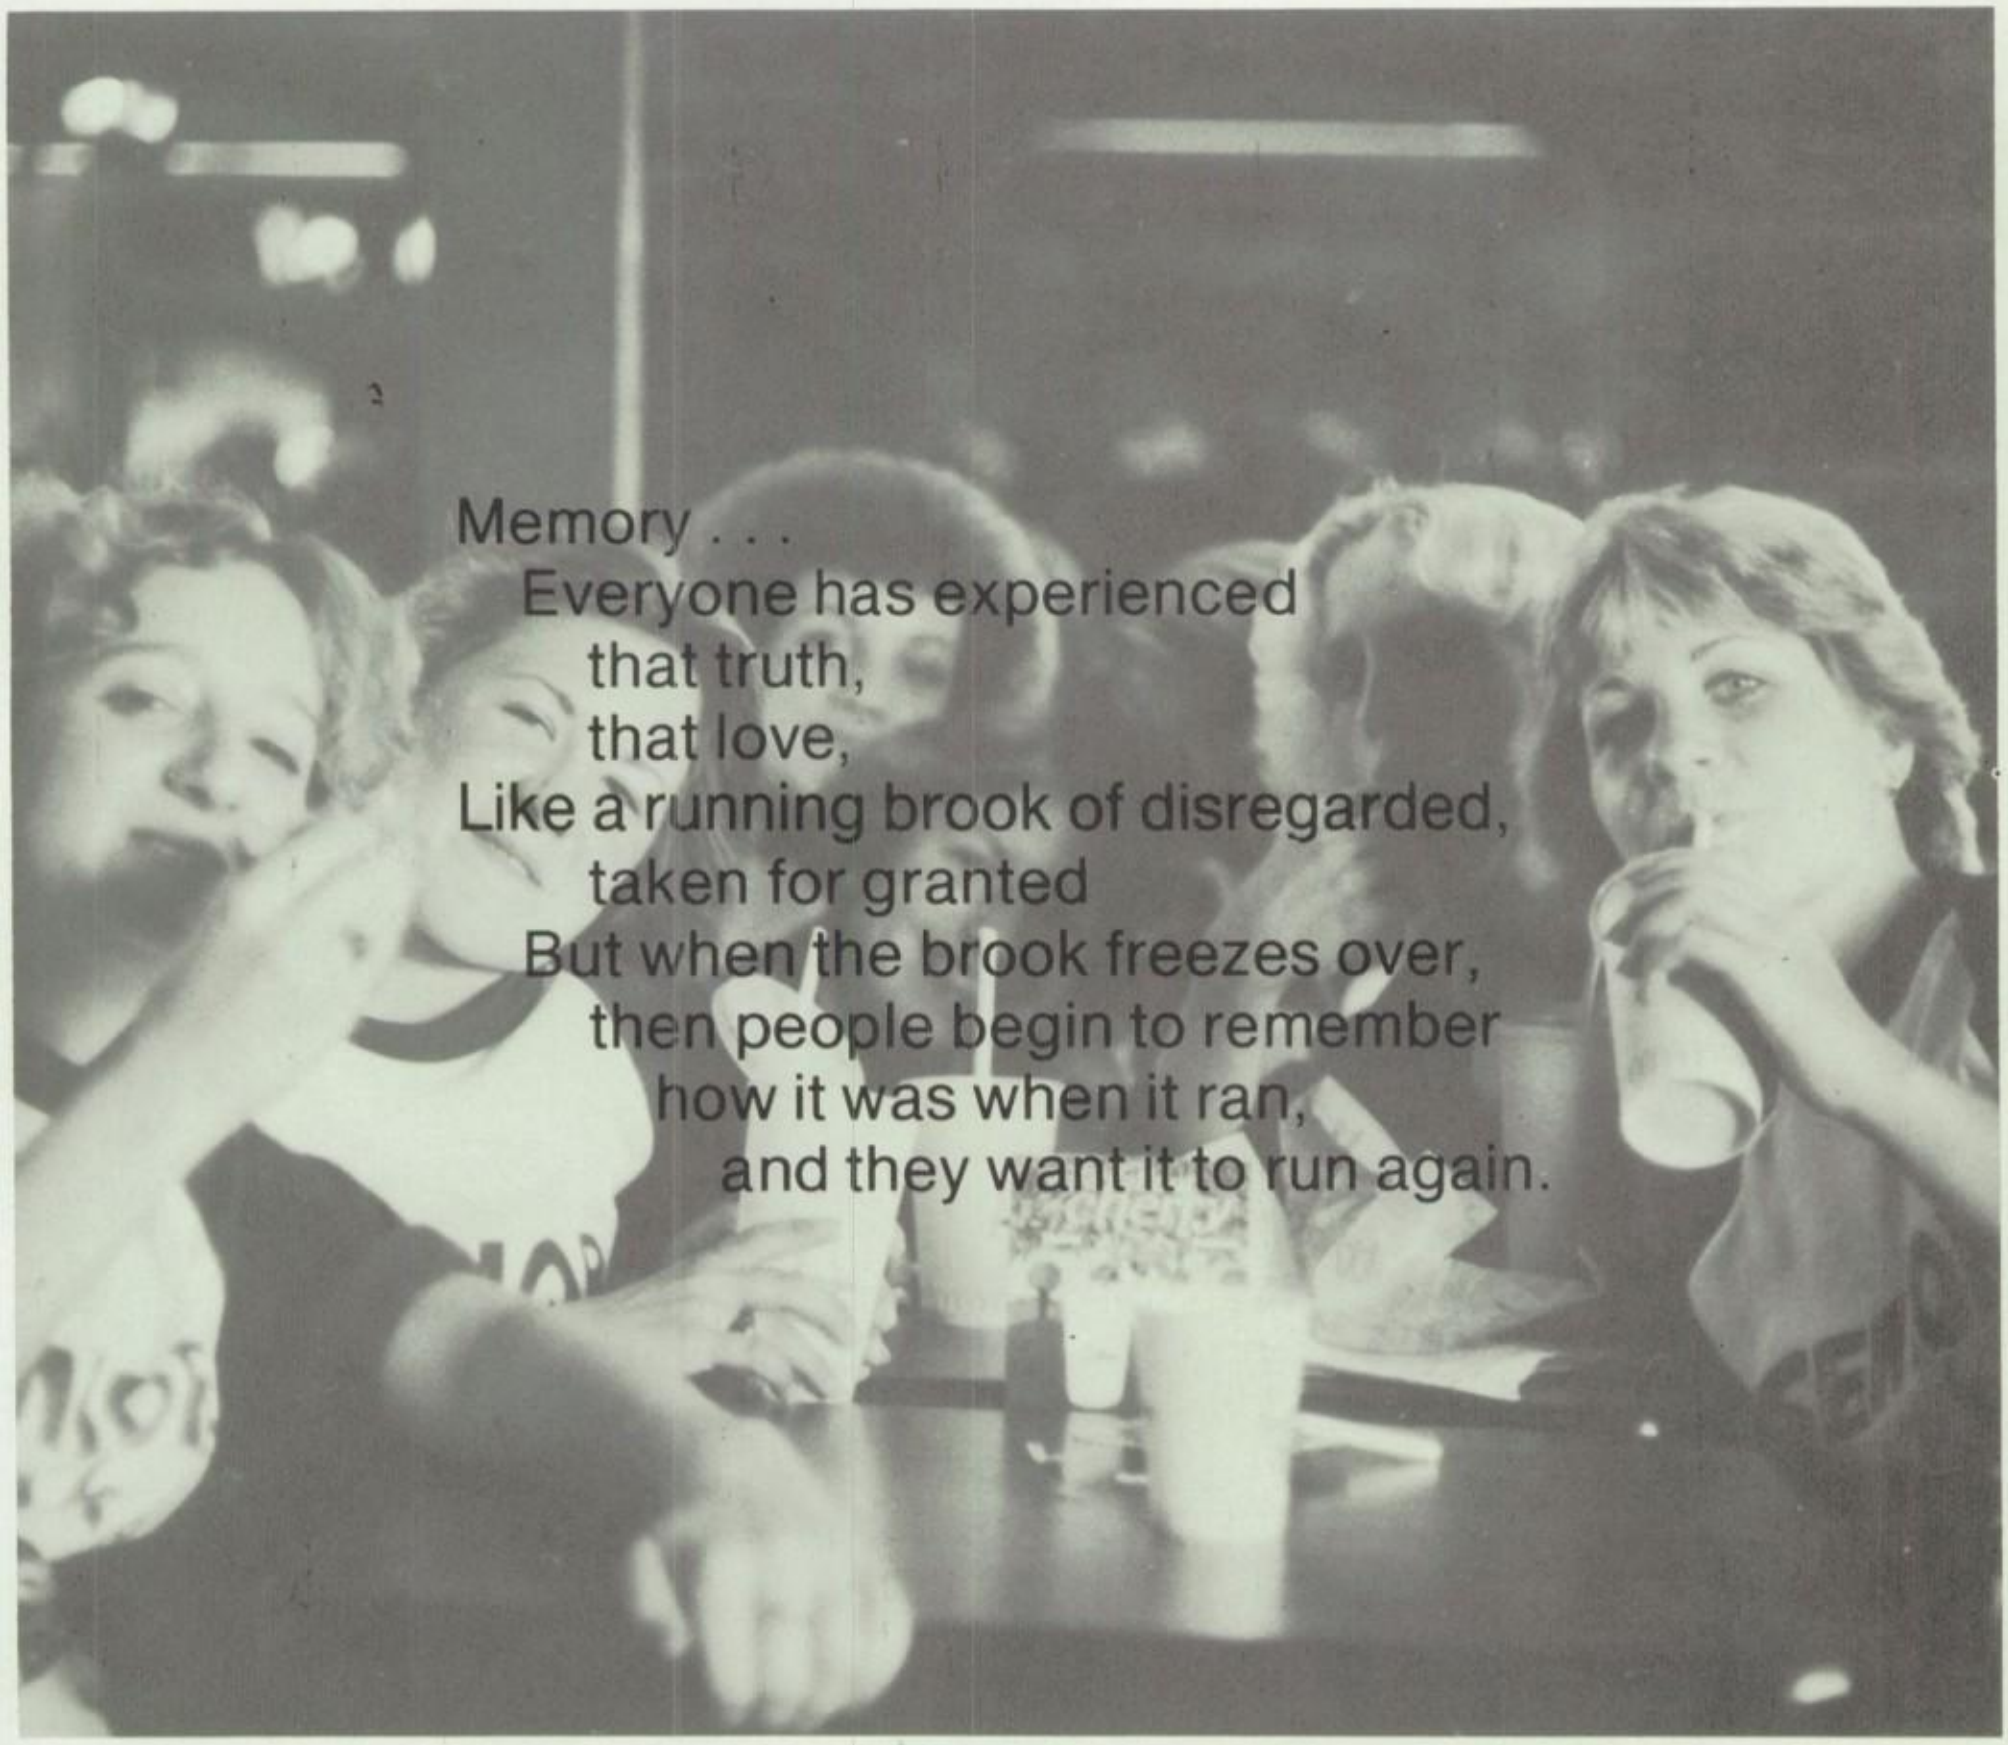
VENTURING TO NEW BEGINNINGS





Memory . . .
Everyone has experienced
that truth,
that love,
Like a running brook of disregarded,
taken for granted
But when the brook freezes over,
then people begin to remember
how it was when it ran,
and they want it to run again.

There is Season for Everything

A time for every occupation under heaven;
A time for giving birth,
A time for dying,
A time for planting,
A time for uprooting,
A time for knocking down,
A time for building,
A time for tears,
A time for laughter,
A time for mourning,
A time for dancing.

WELCOME TO THE AGE OF MAJORITY

We would like to dedicate the following poem to our sons, Mike class of 76, Dave class of 78, Bob class of 79, Frank class of 80.
Welcome to the age of Majority. By Michael and Lena Scarchilli.

Your mother and I welcome you to the age of majority now that you are 18.
We are proud of you but we think you are still a little green

The law is written so that now you may vote and take out a loan.
It just means that you are a little closer to being out on your own

We would like to say you have it made now that you've reached this stage

You may not believe that you have left the simple life behind
Because there were times when you thought you would blow your mind

We hope that we helped prepare you for the life ahead
So that you may think for yourself and bring home the bread

When we made mistakes bringing you up we hope they were small in size
Because we did what we thought best trying to be wise

At this point there are two things we like to say
Know yourself and be prepared for anything that comes your way

We hope all of the advice given by me and your mother
Did not go in one ear and out the other.

Ah Chunks!

"What's going on around here?" asks junior Karen Kozlowski.

ME? A PIG? — Never, Dave Schneider repeats.

The Editors

From the Editors' Cafe Table . . .

After a week of roughing it with spiders in our beds, squirrels in the shower and unexpected tornadoes, we finally were able to learn the techniques of putting a yearbook together at Mystic Lake Yearbook Camp. The 1980 *Reflections* Yearbook was composed from the originality of the yearbook staff. Each member added their own personal touch to contribute to all the changes in the format of the book.

No one but the staff could imagine what went on behind these pages. With all the cramming for deadlines and hours and hours at the cafe tables, we've produced a yearbook that reflects the school and its constant changing.

As editors, we have learned to work with others and handle the demands that were expected of us. A yearbook is made to capture special moments. We hope that 10 years from now, you can look back through these pages with happy feelings and laugh.

It's been an experience, a *REAL* experience!

P.S. Mr. Clancy, you owe us 39 coffees and 3 dozen donuts each!

-Pal

Well, what can I say. We've been through so much together this year! More terrific! We've had so much fun together and I know we will be pals for a long time to come. Will you get to touch base with me when I get to your house this summer and when I'm back in school? I hope we will be able to see each other on weekends and over the summer and when I'm back in school? I hope we will be able to see each other on weekends and over the summer and when I'm back in school? I hope we will be able to see each other on weekends and over the
